Special Guest Star

The 1980 HALFMOON
Proudly Announces
its
Special Guest Star

Ms. Peggy Rossi

Ms. Rossi has taught at Tappan Zee for 13 years. During this time she has been a teacher counselor, friend, and confidant to scores of students. In addition, she has been the advisor for many extra-curricular activities such as the Tappettes, the Flag Twirlers, the Senior Class and the Spring Musicals — both as director and set designer. Even with all this, Ms. Rossi is never too busy to give individual attention to students who wish it. She epitomizes what a teacher should be — caring, considerate, and compassionate.

Advanced Placement English

These are only a few of the offerings found in the English department at T.Z. It fulfills the state required strands of literature, reading, writing, vocabulary, listening and speaking, while at the same time it responds to individual needs and interest of the students. Once completing the basic 10th grade course and 11th grade writing, most students are free to pursue their interest in a variety of electives in the field of literature, communication and creativity.

Social Studies

What is the purpose of the Social Studies Department? Oh Boy, ... to prepare young people to be sufficiently knowledgeable to be productive citizens in modern democratic society ... Nurturing today's youth for tomorrow's leadership roles ... We serve as a supplement to the film as art course ... That's like asking the reasons for your own existence ... To see if I can turn out a socially competent student using any and all means ... To focus attention on any of the social sciences we try to teach ... To help students function more effectively as citizens of the world ... Survival ... Give us something to do on Monday afternoons ... To help them be socially functioning human beings in the total sense ... To teach an understanding of all the cultures of the world so that peace can be more easily attained ... AMEN!

T.Z.'s science department has many outstanding qualities. Included in these are labs that are mentally stimulating, information that is relevant to modern day living such as environmental problems and generic versus brand names. The science courses are also designed toward teaching an awareness of one's own body as well as answering such questions as "Why does the apple fall down rather than up?" "And where does Man fit into the scheme of life?"

Math

John Schneider, Daniel Dinan, Robert Carillo, Gerry Haggerty – Department Chairperson, Peter Lawton, John O'Brien, Nicholas Megdanis

The Mathematics Department at Tappan Zee High School not only follows the recommendations set forth by the New York State Education Department, but also offers elective courses for both the college – bound and non – college bound student. The Department has an extensive library collection that enables students to do independent work in Mathematics and related disciplines

Foreign Language

During the course of the year, students in foreign language courses participate in a number of activities in and out of school. These activities include National Foreign Language Week with guest speakers, skits, displays, projects, film festivals, college bowl competition, games, sampling food, and concluding with an International Night.

Business

John DePaul — Department Head, Mildred Goldin, Roberta Finkelstein, Diana Bowie, Harold Bohlander, Sherwin Kaufman, Lucile Williams

The Business Department is undergoing a gradual curriculum revision due to the changing needs of today's automated offices. This year, the department began a Word Processing program and acquired an IBM Memory Typewriter.

Because of an increase in the enrollment in business courses, the department gained another business teacher. Over the next few years, there will be other significant changes in the program to better prepare students for an increasing availability of entry — level jobs. The department will also emphasize the importance of business courses for personal business management as well as for college — bound business majors.

Guidance

Each counselor is dedicated to helping the student develop his or her potential to the fullest possible degree both through individual counseling and group guidance techniques. Over the past three years, your Guidance Dept. has begun to construct a comprehensive, coordinated, continuum of group guidance activities which includes such topics as local and Regents diploma requirements, various Regents major sequences which can be earned, values clarification activities, decision — making skills, goal — oriented programs, and various aspects of career education and self — understanding. These activities are presented by your counselors chiefly in English and/or Social Studies classes through the cooperative efforts of those departments and the Guidance Department.

Music

Joseph Maggio

T Z boasts one of the finest Music departments in the country. Many fine groups are included. The T Z choir in the past has gone on tour each February singing their way from New York to Florida. The Madrigals and Troubadors also perform outside of T Z. The stage band and orchestra, as well as other musical groups have given many hours of listening enjoyment to audiences.

The Art Department at T Z offers the student many opportunities to explore and learn various areas of the field. A student may take courses in drawing and painting, advertising design, art history, and crafts. Each year students involved in the program enter various art contests around the county.

Courses in family living, cooking, auto mechanics, graphics, photography, and drafting are just a partial list of those available in the Home Economics and Industrial Arts departments. The students enrolled in these programs learn skills that will not only profit them now, but in the future as well.

Secretaries & Aides

The Secretaries and Aides of Lappan Zoo contribute to the smooth running of the zoo through their expertise and dedication. Even though they perform numerous duties in their day to day jobs, they are always willing to stop and help both teachers and students.

Custodians are a seldom seen but absolutely necessary part of Lappa Zee High School. It is their job to keep the machinery of the school running efficiently as well as keeping the building clean.

T.Z. Staff Displays Versatility

The TZ football team has surprised almost everyone this year with a much improved record in PSAL competition. Not for at least a half — decade have the Dutchmen done so well. The fans have a different feeling than they usually get this time of year — a winning feeling.

TZ has defeated Clarkstown North, Nock Valley Central, and in the Orange Bowl, Pearl River. Unde- feated Ramapo and Clarkstown South have handed heartbreak losses to the Dutchmen, but the team keeps up its esprit de corps.

Co — captains Blaise Winters and John Stackfleth lead the team assisted on the sidelines by coaches Hince, Mokrynka, and Jacobs. Mike Cioffi, a key offen- sive player, paid tribute to the squad "It takes eleven guys to play ... The guys are excellent, big, and all do their assignments."

Many on the team feel Cioffi is a valuable asset to the team. Co — captain Stackfleth stated, "He's gotta be in there for the offense to go" — Paul Alpuche and Ron Amoia observed, "Everybody does his share, and does it well, but he is the one that just puts it all together." Other players, of course, have their own fans.

Fans are an essential part of that drive the team has on the gridiron. At the home games, everybody who's anybody at TZ came out to Hickey field.

The one sad note of the season came when Coach Joe Hince announced his retirement.

Girls' Soccer Looks Ahead

This year's team proved to be the most successful with its 4 wins, 7 losses, and 2 ties, just missing the sections due to two last minute losses in key games. Of the 7 losses, 2 were in overtime, and 4 by one goal after leading most of the game. The strength of the team was illustrated by the selection of 2 All - County team members. Only two starters are graduating and the team has high hopes next year for the championship.

Tap's Dynasty Continues

As the season drew to a close the Dutchie swimmers again found themselves on top of both the county and section. Though the team's incredible winning streak ended at 62 after a questionable loss to Middletown, the team's superior strength was exemplified in their ranking of seventh in the state. Superstar Bob Neuendorf will be lost to graduation, as will Bill Ryan and Ray Gattney, however a solid block of veterans including Dave Holmes, Jim McCloskey, Dave Charmack and Bruce Douglas will return next year.

This year saw the Dutchmen compile their best record in the past fifteen years. With an eleven and three record, the Varsity Basketball Team brought the American Division Championship to Tappan Zee and boasted an honorable mention in the state rankings. Coach Ron Mokrynka, with his best season ever, attributed the team's success to each player's individual talent, and the many years this team has played together. Standouts this year were Ed Costa and Mitch Norotsky, co-captains who averaged 18.6 and 21.5 points respectively. Next year look to be a promising season, with Norotsky and P. The women's varsity basketball team completed their second winning season in as many attempts with Coach Tom Parke at the helm. With the talents of Julie Maloney and Carol Duke, the team finished just short of the top of their division. Celebrity Eileen Emmert, acclaimed by many as the best "big person" in the league, led the team in scoring and rebounding, encouraged by the team number one fan, Mollie Emmert. It looks like Parke's success will continue next year with all five starters returning.

Tappan Zee wrestlers repeated last year's record with only one disappointing loss to Suffern. Though second in the County the team fared well in post season matches. Defending last season's title the team was again Mid Hudson Journey Champs, and was ranked in the state. Kudos to Joe Hovorka, Steve Karas, and Blaise Winter who had particularly successful seasons. First year coach Tom Habel picked up well where Bill Sweet left off, and will probably continue to uphold Tappan Zee wrestling's fine reputation. The team rounded out a particularly successful winter sports season at Tappan Zee.

Though the winter track team's record isn't among the top in the county, individual performances brightened the field. Recent gold medal high jumper Maria Gordin, hurdler starter and relay runner specialist Mike Pizza were invited to the state meet. Last season's coach of the Year, Bob Johnson, gave credit for handling his team and improving veterans such as Gordin, Levy and junior sensation Monica Hautau.

The major goal of this year's Tones' staff was a total revival of the magazine. We feel that we have reached this goal and in doing so achieved personal triumphs as well. The magazine has gone from a publication of a select few to a cross cut of the entire school body. It has also reached a great deal more of the student population than in past years. In reaching these goals the staff has learned a great deal about responsibilities, compromise, and working with others. Another benefit of our experiences together has been the development of some fine friendships. These friendships are special for they have withstood ego clashes, and the pressures of deadlines. Judging from the merit of the goals achieved, we believe that this year's Tones' staff has been a success.

Women's Coalition has come alive again due to the response and enthusiasm of the new members this year. Our flower sales have helped us raise money as well as school spirit.

The T-shirts we have made serve as a unifying element to our group and help the members identify with each other. Our in-school and our out of school meetings have also proven to be successful allowing us to become a close and friendly group of people. Women's Coalition is having a fun and very successful year. We hope the enthusiasm will be carried on for years to come. We would like to give special thanks to our advisor and friend Kathy Alcorn.

It is said that representative groups can never truly reflect the people. All that the SO Assembly reflects is the apprehension, fears, and frustration of an age group living on borrowed time. Whatever we do or don't do is what we are. Come to a meeting, look at us, and then look at yourself. Anyway, SO What?

Halfmoon '80

After eight months of hard work and frustration the 1980 Halfmoon was finally completed. During this time the staff and advisor learned to expect late hours, weekend meetings, last minute assignments, and "miracles". All in all working on the 1980 yearbook proved to be as much fun as it did work.

MAIN EVENT

There are places I remember all my life
 though some have changed

Some forever, not for better
Some have gone and some remain

At those places had their moments

With corsage and bouquet

SCOTT D. BELL, ESCO, CO. INC.

In my life I've loved them all

But of all these trends and fads

But of all these trends and fads

And these memories lose their meaning
When I think of love as something new

Though I know I'll never see one
 of those people that went on one

I know I'll often stop and think about them
 In my life I'll love you more
 In my life I'll love you more

Shadows of yesterday and the promise of tomorrow
Keep my mind at peace
And I am concerned with nothing but the reality of
today

The moments I cherish most
 are the moments I spend with you
 if you given me a reason to look forward to tomorrow
 instead of a reason to dream about the past

If you love something
Set it free
If it comes back to you
It is yours
If it doesn't
It never was

I set out to find a friend
But couldn't find one
I set out to be a friend
And friends were everywhere

Doing what you like is freedom
Liking what you do is happiness

We got with the crowd
 Today not a day
 We got with the crowd
 Today not a day
 We got with the crowd
 Today not a day

I sit by the fire
Crackling away in darkness
Burning all my dreams

Whatever future years may hold one thing will still be true
Life's greatest gift will always be the things I shared with you

Shirley B. Jones, Director, American Water Works Association, 685 North Dearborn Street, Chicago, Illinois 60610, is the author of *Water Pollution Control Engineering*, McGraw-Hill, 1978, 476 pp., \$12.95. The book is written for the professional engineer and the student. It is a comprehensive text on the design and operation of water pollution control systems. The book is divided into two main parts: the first part covers the fundamentals of water pollution control, and the second part covers the design and operation of water pollution control systems. The book is a valuable reference for the professional engineer and the student.

Stage Band 'Picks Up the Pieces'

The Stage Band, which has been a part of the school's tradition for many years, is back in action. The band is made up of students from all grades and is directed by Mr. [Name]. The band has been practicing hard and is ready to perform at the upcoming school assembly. The band is a great way for students to learn music and work together as a team.

Twisty endings were stock in trade for most of the 80-plus novels created by mystery writer Agatha Christie. The secret of re-creating any of them successfully on stage is for directors to dramatize each clue and development prior to those endings as unambiguously as possible.

This is what the cast and production staff at Tappan Zee High School have achieved with "The Unexpected Guest," being presented tonight and Saturday at 8:15 with results that are engrossing and professionally trim.

Set in the study of a country house in South Wales, Mrs. Christie's two-act play opens with the guest, Michael Starkwedder, arriving through French windows late at night, seeking help

IN REVIEW

after a motor accident. He discovers his unexpected host shot dead in a wheel chair, and his hostess seated nearby holding the murder weapon.

Whether out of madness, justice, or love at first sight (we aren't told which, exactly for some time) Starkwedder resolves to aid Laura Warwick in the imminent police investigation. So the plot and background involving her husband, Richard, and the rest of the Warwick household unfold in mystifying, smooth Christie style.

In keeping the fine mesh of events, past and present clear at all times, director Valerie Hladky has imparted a firm, unforced sense of theatricality to the young

actors, whose lines support convincing British accents throughout.

Michael Collins plays the helpful but enigmatic Starkwedder with poise and up-country dignity. Pam Verri is a fetching and sensitive Laura, who justifies his concern right up to the end. Patrice O'Rahilly plays the ambivalent housekeeper Miss Bennett, and Ronald Viggani is her ward, Jan Warwick, the dead man's immature younger brother. Both are difficult roles, and each is handled with skill and personality.

Richard Warwick who appears at the beginning and at curtain calls, is represented by John Garland. An extraordinary portrayal of old age is given by Carolyn Coenen as Warwick's mother, while solid, thoughtful performances of the victim's valet and rival are offered by Andy Baumel and John C. Anderson.

Linda Higgins Chosen Member of Commissioner's Student Advisory Council

A "Student Advisory Committee" has been established by the State Education Department to increase opportunities for student involvement in educational planning. It is also designed to help the Regents, the commissioner and department personnel become more familiar with the concerns and problems of high school students.

Tappan Zee High School has been selected to represent both public and parochial institutions in New York State as one of the 20 schools on the committee. Linda Higgins, a senior at Tappan Zee, is the student representative for Rockland and Westchester Counties.

The 20 students from all regions of the state will meet in Albany four times a year to advise the Regents, the commissioner, department personnel and legislative commissions on all areas of student affairs.

According to Ms. Higgins, the committee is putting out a publication on student involvement in curriculum this year. As a student representative on the committee, she hopes to keep students informed of their rights as students.

Anyone with questions about the Commissioner's advisory Committee may contact, Linda Higgins, Student Advisory Committee, Tappan Zee High School, Orangeburg, 10962.
